

Public Consultation Invitation

We invite you to our exhibition of redevelopment proposals for sites south of Hurricane Way on the Norwich Airport Industrial Estate.

Planning applications will be submitted to deliver new, high quality industrial units and new homes.

Our proposals seek to provide:

-  New, highly energy efficient industrial units
-  Creation of new local jobs
-  New homes, adjoining established housing
-  Regeneration of derelict land

We invite you to provide feedback on the emerging plans in the following ways:

Attend our public exhibition, at which you can see the plans, learn more about the proposals and work prepared so far, and talk to the project team.

Thursday 5 December

3pm to 7pm

Holiday Inn – Norwich North,
Cromer Road, Norwich,
Norfolk, NR6 6JA

Visit our website below, where you can find information about the proposals and provide feedback.

Give us a call or send us an email.

Scan the QR code to register to attend our webinar and take part in a live Q&A session or register via our website below.

Visit our website: www.hurricaneway-norwich.co.uk

We are looking forward to hearing your views and feedback.

A key part of designing successful schemes for the industrial estate is ensuring that there are opportunities for the local community to consider and provide feedback on early stage designs. Please take your time to consider the information on the proposals that will be on display at the public exhibition, and hosted on our website from Thursday 5 December 2024, and do not hesitate to put a question to the team, either at the event or using the contact details below.

Comments provided by the local community will be considered by the project team and used to shape the planning application submissions to Norwich City Council next year.

The period for providing your comments and feedback will open on **Thursday 5 December 2024** and will close on **Sunday 5 January 2025**.

Contact us

Please visit our website where information on the proposals will be hosted and where you can register to receive project updates. If you have any questions or require this information in an alternative format, please do get in touch:

Phone: 0207 446 6818 (Mon - Fri, 9.30am - 5.00pm)

Email: hurricaneway-norwich@stantec.com

Post: Hurricane Way Engagement Team,
c/o Stantec, 7 Soho Square, London, W1D 3QB

Scan the QR code to take you to our project website where you can view more information about the project. This will be updated with all of the information provided during our public exhibition after the event. The full website will be live on Thursday 5 December 2024
